**James R. Walker : Lakota Society** before purchasing it in order to gage whether or not it would be worth my time, and all praised Lakota Society:

0 of 0 people found the following review helpful. A book of historical value by people who lived in the 'old ways'.By William E. GrayThis is a 'research book' in that it is created out of many interviews and observations of people of an earlier time who recorded events as they saw them and/or when they spoke to individuals directly involved in those events. Many "articles" were written by chroniclers who desired to record important events and or Ceremonies of the

Lakota People before they were obliterated by White Society. 3 of 3 people found the following review helpful. In Depth Knowledge By Yellowhawk You won't find this depth of knowledge in any other book I've seen. This is for the hard core student of the Lakota who wants to know more about why the beliefs are they way they are, versus just what the beliefs are. A fascinating and in-depth read. If you're just starting out with the journey of the Lakota way, this might be too heavy of a read. 1 of 3 people found the following review helpful. Lakota Society By vivo Received book as advertised, very quickly and a smooth transaction. This is a great seller, reasonable prices both for the item and shipping. Will purchase from this seller again

As agency physician on the Pine Ridge Reservation from 1896 to 1914, Dr. James R. Walker recorded a wealth of information on the traditional lifeways of the Oglala Sioux. Lakota Society presents the primary accounts of Walker's informants and his syntheses dealing with the organization of camps and bands, kinship systems, beliefs, ceremonies, hunting, warfare, and methods of measuring time.

"Classical material on the Lakota people and essential reading for anyone interested in a serious study of these people." - "American Indian Culture and Research Journal" "DeMallie has done a sensitive, careful piece of work, and the documents as presented are both important sources and of interest to the general student of Indian history and ethno-history." - "Western Historical Quarterly" "Based on descriptions given by people who had experienced their traditional culture-most of it a way of life that had ceased or changed by 1900-Walker's papers are a unique and invaluable source for the anthropological study of the Sioux and for understanding traditional Plains Indian society generally." - "Choice" From the Back Cover As agency physician on the Pine Ridge Reservation from 1896 to 1914, Dr. James R. Walker recorded a wealth of information on the traditional lifeways of the Oglala Sioux. Lakota Society presents the primary accounts of Walker's informants and his syntheses dealing with the organization of camps and bands, kinship systems, beliefs, ceremonies, hunting, warfare, and methods of measuring time. About the Author Raymond J. DeMallie is a professor of anthropology and director of the American Indian Studies Research Institute at Indiana University. Other volumes of James R. Walker's Lakota documents also available as Bison Books are Lakota Belief and Ritual, edited by Raymond J. DeMallie and Elaine A. Jahner, and Lakota Myth, edited by Elaine A. Jahner.
