W. D. Westervelt : Legends of Maui before purchasing it in order to gage whether or not it would be worth my time, and all praised Legends of Maui:

I called customer who called back within 5 minutes as promised. The rep. guided me to try certain things to no avail. So it went to a higher level and it was all there within 24 hours. I

found the customer reps. to be very helpful and I even got credit on my account. But, to the book . . .It's a lot of fun as I am interested in the beginnings of Maui--especially the legends. It's something easy to read on your Kindle when you just have a few minutes and also interesting.
