Norman Geisler : Legislating Morality: Is It Wise? Is It Legal? Is It Possible? before purchasing it in order to gage whether or not it would be worth my time, and all praised Legislating Morality: Is It Wise? Is It Legal? Is It Possible?:

1 of 1 people found the following review helpful. Great book for your apologetics armory. By James Smith Very informative book. If you want clear cut thinking on how to know what the liberal left is doing versus what is morally

right, this book is for you. Shows Supreme Court rulings that have led to this country's downward spiral along with social issues such as abortion, the arguments, and refutations to those arguments as well as same sex marriage, and euthanasia. 1 of 1 people found the following review helpful. A Great Resource. By Tony H. This book is very persuasive and thoughtful. It helped me sort out many moral issues as they relate to law. I reference this book often. 0 of 0 people found the following review helpful. Five Stars By Claudia Baya Very important book!

America's moral decline is not secret. An alarming number of moral and cultural problems have exploded in our country since 1960--a period when the standards of morality expressed in our laws and customs have been relaxed, abandoned, or judicially overruled. Conventional wisdom says laws cannot stem moral decline. Anyone who raises the prospect of legislation on the hot topics of our day - abortion, family issues, gay rights, euthanasia - encounters a host of objections: "As long as I don't hurt anyone the government should leave me alone." "No one should force their morals on anyone else." "You can't make people be good." "Legislating morality violates the separation of church and state." 'Legislating Morality' answers those objections and advocates a moral base for America without sacrificing religious and cultural diversity. It debunks the myth that morality can't be legislated" and amply demonstrates how liberals, moderates, and conservatives alike exploit law to promote good and curtail evil. This book boldly challenges prevailing thinking about right and wrong and about our nation's moral future.

About the Author Dr. Norman Geisler is author or coauthor of some fifty books and hundreds of articles. He has taught at the university and graduate level for nearly forty years and has spoken or debated in all fifty states and in twenty-five countries. He holds a Ph.D. in philosophy from Loyola University and now serves as Chancellor of Veritas Evangelical Seminary, in Murrieta, CA. Frank Turek holds two master degrees: one in apologetics from Southern Evangelical Seminary, and one in public administration from George Washington University. He is a sought after speaker and award-winning author who has appeared on numerous TV and radio programs including 'The O'Reilly Factor', 'Hannity and Colmes', and 'Politically Incorrect'. His forthcoming book, also co-authored with Dr. Norman Geisler, is titled 'I Don't Have Enough Faith to Be an Atheist'.
