**Michael R. Marrus : Lessons of the Holocaust (UTP Insights)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Lessons of the Holocaust (UTP Insights):

Although difficult to imagine, sixty years ago the Holocaust had practically no visibility in examinations of the Second World War. Yet today it is understood to be not only one of the defining moments of the twentieth century but also a touchstone in a quest for directions on how to avoid such catastrophes.In Lessons of the Holocaust, the distinguished

historian Michael R. Marrus challenges the notion that there are definitive lessons to be deduced from the destruction of European Jewry. Instead, drawing on decades of studying, writing about, and teaching the Holocaust, he shows how its lessons are constantly challenged, debated, altered, and reinterpreted. A succinct, stimulating analysis by a world-renowned historian, *Lessons of the Holocaust* is the perfect guide for the general reader to the historical and moral controversies which infuse the interpretation of the Holocaust and its significance.
