Walter Scott : Letters on Demonology and Witchcraft before purchasing it in order to gage whether or not it would be worth my time, and all praised Letters on Demonology and Witchcraft:

0 of 0 people found the following review helpful. Read it!By CustomerGreat read, nice artwork. I studied English in college and never once were these letters discussed. I'm so glad I found them on Kindle!

Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and

increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
