This book is based upon our YouTube series "Idiots Guide to Islam", of Q A chapters that are listened to. It is fully complimented, with more details on our web site "[www.inthenameofallah.org](http://www.inthenameofallah.org)"The purpose of this book is to enlighten, step by step, an otherwise IGNORANT immense majority of humanity among both the so called Believers Unbelievers about the FACTS REALITYof the Cult of Muhammadan Islam.All references are based entirely upon the Arabic language of the Quran, Hadiths, Arab Islamic histories.It analyses almost every concept, precept, thought, idea, expression and relevant verse of the Quran and contains extremely controversial and unusual statements and conclusions.By the time one has either read this book or listened to the series, one will become so knowledgeable on the Quran, Hadiths, Arab 'Islamic' histories, to such an extent, that never again would one be fooled, deceived or misled regarding these subjects.

About the AuthorThe author was born in Iraq. His mother tongue is Arabic.Using only his resources and time, 23 years, he studied the Quran, Hadiths, New Testament, Hebrew Bible, Zoroasterian Pagan religions in depth. Because of his Arabic background, his interest in the foundations and sources of the Quran was triggered by the enormous number of verses of the Quran that were so similar to those in Christian Jewish traditions.His research came to extremely controversial and unusual conclusions that he was driven to share with others especially when his original manuscript was refused publication for fear of retribution.Every statement and conclusion in this book are entirely his.
