Elizabeth Barrette, Kristin Madden, Ellen Dugan, Llewellyn : Llewellyn's 2007 Witches' Spell-A-Day Almanac (Annuals - Witches' Spell-a-Day Almanac) before purchasing it in order to gage whether or not it would be worth

my time, and all praised Llewellyn's 2007 Witches' Spell-A-Day Almanac (Annuals - Witches' Spell-a-Day Almanac):

This contemporary spell book with an antique Book-of-Days style returns for its fifth successful year. Witches and Pagans will find spells for all occasions, along with recipes, rituals, and meditations. It also includes crucial information for spellcasters: when the spell is appropriate, necessary implements, and where the spell should be performed. Icons categorize each spell under various headings: health, love, money, purification, and so on. Users who combine spells with astrology will find daily Moon signs and phases.
