By Saturday morning I have bought Llewellyn's Magical Almanac every year since the mid 1990s. I love this almanac, as it helps me use astrological information in order to live my life to what I feel is the fullest. Every year, this almanac includes many fabulous historical articles, recipes, herb lore, ritual layouts, ancient magical lore, and more, all written by fabulous, well known authors. Not to mention the useful, everyday information that the almanac provides. I will continue to buy this almanac for the rest of my life, or until Llewellyn stops making it, whichever comes first. I recommend this book for everyone, whether they are a practicing witch, or not.
