**Lynn Hunt, Thomas R. Martin, R. Po-chia Hsia, Bonnie G. Smith, Barbara H. Rosenwein : Making of the West 3e V1 Sources of The Making of the West 3e V1** before purchasing it in order to gage whether or not it would be worth my time, and all praised Making of the West 3e V1 Sources of The Making of the West 3e V1:

0 of 1 people found the following review helpful. Great overview, but a bit simplistic for university-levelBy georgial

actually really enjoy reading this book, and it does give a great overview of history. However, this is actually a book assigned to my class for UNIVERSITY and seems a bit simplistic for that level of study (which after 4 years here I think is fair for me to judge.) It seems better suited to the final two years of high school than to the level required of us at uni. It is well set out, clear and not difficult to read - which makes it ideal if you are in high school OR just have a made keen interest but don't want to read anything too complex but something that will still go quite in depth.

Third edition volume 1 with sources of the Making of the West .
