I am only a couple of chapters in but it is fun to learn how things were back then.1 of 1 people found the following review helpful. Five StarsBy emeka-okekeDiscussed events, culture,

politics, religion and women of both classical and medieval periods in a simple but interesting way 0 of 0 people found the following review helpful. Four Stars By Customer still really new.

With a chronological narrative that offers a truly global context, *The Making of the West: A Concise History* tells the story of the cross-cultural exchanges that have shaped Western history. This author-abridged version of the parent text offers the flexibility of a brief book along with a full-color map and art program and comprehensive supplement options, including a free sourcebook. The result is a brief book that, in addition to being an excellent price, is an excellent value.
