John G. Jackson : Man, God, and Civilization before purchasing it in order to gauge whether or not it would be worth my time, and all praised Man, God, and Civilization:

2 of 2 people found the following review helpful. A Absolute Must Read for anyone interested in History of Mankind. By Pro Tools 8 User Must Read for anyone interested in history of mankind and its origins in the world. Great organization and explanations. Get this one! 0 of 0 people found the following review helpful. From the pan-africanists library. By sean p. WOW!, can you write it Mr Jackson, you explained a lot in this book as you did in "lost African

civilizations". Great read for the pan-Africanist. Monumental, for a student of African mentality as looking at the subject from all sides to make these conclusions in this book. Fantastic read if I say it anymore....0 of 0 people found the following review helpful. Five StarsBy roger l tylerVery good book

Drawing from sources of ancient, classic, and contemporary literature, the author shows how European culture was derived from the older civilizations of Africa and Asia.
