Viktor E. Frankl : Man's Search for Meaning, Gift Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised Man's Search for Meaning, Gift Edition:

237 of 240 people found the following review helpful. The deepest insights in the most simple words.By EnIf you're in pain, read this book. If you're scared, read this book. If you are lost, read this book. If you are happy, read this book. If you have time, read this book. If you don't have time, read this book. Read this book, read this book."We who lived in the concentration camps can remember the men who walked through the huts comforting others, giving away their last

piece of bread. They may have been few in number, but they offer sufficient proof that everything can be taken from a man but one thing: the last of the human freedoms--to choose one's attitude in any given set of circumstances, to choose one's own way."90 of 94 people found the following review helpful. A classicBy Steven J. O'malleyI read this in college and ordered again to read some 40 years later. Frankl relates the severe conditions in the concentration camp. Those without any purpose seemed to perish. Those that had developed purpose and meaning to the harsh conditions got out of bed every morning to face another unbearable day. this book is a classic. anything less than 5 stars would be a reflection on me.0 of 0 people found the following review helpful. death and survival - He point out that those who looked to the future and had something to expect when the war was over - more of them survived - A great book of men living under dire circumstancesBy Charles E. GreerViktor E. Frankl was captured and spent most of WWII in a German prison camp - The book "Man's Search For Meaning" is his account of that time - suffering, death and survival - He point out that those who looked to the future and had something to expect when the war was over - more of them survived - A great book of men living under dire circumstances....All who purchase will be informed to accept and endure great struggles in life.

A new gift edition of a modern classic, with supplemental photographs, speeches, letters, and essays Psychiatrist Viktor Frankl's memoir of life in Nazi death camps has riveted generations of readers. Based on Frankl's own experience and the stories of his patients, the book argues that we cannot avoid suffering but we can choose how to cope with it, find meaning in it, and move forward. *Man's Search for Meaning* has become one of the most influential books of our times, selling over twelve million copies worldwide. With a foreword by Harold S. Kushner, Frankl's classic is presented here in an elegant new edition with endpapers, supplementary photographs, and several of Frankl's previously unpublished letters, speeches, and essays.

One of the ten most influential books in America. Library of Congress/Book-of-the-Month Club "Survey of Lifetime Readers""Viktor Frankl's timeless formula for survival. One of the classic psychiatric texts of our time, *Man's Search for Meaning* is a meditation on the irreducible gift of one's own counsel in the face of great suffering, as well as a reminder of the responsibility each of us owes in valuing the community of our humanity. There are few wiser, kinder, or more comforting challenges than Frankl's." Patricia J. Williams, author of *Seeing a Color-Blind Future: The Paradox of Race*"Dr. Frankl's words have a profoundly honest ring, for they rest on experiences too deep for deceptionA gem of a dramatic narrative, focused upon the deepest of human problems." Gordon W. Allport, from the Preface"An enduring work of survival literature." *The New York Times*"[*Man's Search for Meaning*] might well be prescribed for everyone who would understand our time." *Journal of Individual Psychology*"An inspiring document of an amazing man who was able to garner some good from an experience so abysmally badHighly recommended." *Library Journal*"One of the great books of our time." Harold S. Kushner, author of *When Bad Things Happen to Good People*"One of the outstanding contributions to psychological thought in the last fifty years." Carl R. Rogers (1959)About the AuthorBorn in Vienna in 1905, Viktor E. Frankl earned an MD and a PhD from the University of Vienna. He published more than thirty books on theoretical and clinical psychology and served as a visiting professor and lecturer at Harvard, Stanford, and elsewhere. Frankl died in 1997.
