Mark Twain : Mark Twain on Religion: What is Man, The War Prayer, Thou Shalt Not Kill, The Fly, Letters from the Earth (Forgotten Books) before purchasing it in order to gage whether or not it would be worth my time, and all praised Mark Twain on Religion: What is Man, The War Prayer, Thou Shalt Not Kill, The Fly, Letters from the Earth (Forgotten Books):

5 of 5 people found the following review helpful. Some of Twain's lesser known worksBy Mandy WultschYes, you

can find most of these works on the Internet, but it is nice to have them in a bound format that is easy to take on vacation and can be read while a plane is taxiing, taking off, and landing. I especially like the Letters From Earth, a narrative from the point of view of Satan (an angel being punished for his sass by exile on Earth) about the beliefs of Christianity. Very typical Twain but an essay I had not had the pleasure of reading before. 3 of 3 people found the following review helpful. Bits of genius and some other works. By a The collection includes a couple of works that did very little for me. But that is more than made up for by Twain's ingenious Letters from the Earth. The work is several reports sent from Earth by archangel Satan to his colleagues back in heaven, Gabriel and Michael. Satan, in a style not unlike Twain's own travel reports from Europe, finds mystery in the human view of heaven, human ignorance of Earth, and why anyone would ever create such a retched being. 0 of 0 people found the following review helpful. Mark Twain's special way of seeing the world in his times. By Randee So far have read parts here and there. I have to get used to way Mr. Twain writes. It's quite different than writers of today and of course, right for the time he lived in.

About the Author About the Author: "Samuel Langhorne Clemens... better known by the pen name Mark Twain, was an American humorist, satirist, lecturer and writer. Twain is most noted for his novels Adventures of Huckleberry Finn, which has since been called the Great American Novel, and The Adventures of Tom Sawyer. He is also known for his quotations. During his lifetime, Clemens became a friend to presidents, artists, leading industrialists and European royalty. Clemens enjoyed immense public popularity, and his keen wit and incisive satire earned him praise from both critics and peers. American author William Faulkner called Twain 'the father of American literature.'" (Quote from wikipedia.org)
