John B. Cobb Jr. : Matters of Life and Death before purchasing it in order to gage whether or not it would be worth my time, and all praised Matters of Life and Death:

0 of 0 people found the following review helpful. Another gift from John Cobb Jr.By JohnThoughtful, clear, and

readable by most lay readers. A typically excellent Cobb book that represents his academic turn from the technical to that which makes a difference in the world. 0 of 0 people found the following review helpful. *Matters of Life and Death*, John B. Cobb Jr. By Beebe *Matters of Life and Death* by Cobbs speaks to Christians and all others with strong thinking. Its help lies in the deep understanding of the author, and in the reasoning powers of all of us. I appreciate this book thoroughly. The book speaks to me also as related to Cobbs's Process Theology. 1 of 1 people found the following review helpful. This is an amazing book. Cobb presents a solid theological construction. By R. Vaness This is an amazing book. Cobb presents a solid theological construction that informs the reader on the intersection between the issues discussed in this book and a conversation on Christian ethics.

Using a bioethical approach, John Cobb Jr. tackles some of the most controversial issues facing society and the church today--something theologians have often failed to do in the past. His four major topics are animal well-being, death with dignity, the moral status of the fetus, and sexual activity outside of marriage.

From Library Journal This is an important and very accessible study of four controversial moral issues: animal rights, the right to die, abortion, and nonmarital sexual expression. The study is distinguished by the broad perspective in which he places each of the issues, considering not only individuals but also societies and drawing enlightening analogies between other departures from biblical injunctions and newer issues. Whether or not one agrees with Cobb's distinctions, his reasoning can lead to better understanding of many ramifications. Highly recommended. Copyright 1991 Reed Business Information, Inc. About the Author John B. Cobb Jr. has held many positions including Ingraham Professor of Theology at the Claremont School of Theology, Avery Professor at the Claremont Graduate School, Fullbright Professor at the University of Mainz, and Visiting Professor at Vanderbilt, Harvard, and Chicago Divinity Schools. His writings include *Christ in a Pluralistic Age: God and the World*; and, with coauthor Herman Daly, *For the Common Good*, which was cowinner of the Grawemeyer Award for Ideas Improving World Order.
