Jean-Jacques Glassner, Benjamin R. Foster : Mesopotamian Chronicles (Writings from the Ancient World) (Writings from the Ancient World) before purchasing it in order to gage whether or not it would be worth my time, and all praised Mesopotamian Chronicles (Writings from the Ancient World) (Writings from the Ancient World):

0 of 1 people found the following review helpful. Five StarsBy Sang Kimvery good1 of 48 people found the following

review helpful. glassner mesopotamia chroniclesBy barhayimpoor, weak, redundant and confusing at the least, not an interesting book at all. will not recommend it, or read it anew, mostly jiberish, repeat of half tales. of little interest.

All the chronicle literature of ancient Mesopotamia from the early second millennium to Seleucid times is collected in this English translation of Glassners Chroniques Msopotamiennes (Paris: Les Belles Lettres, 1993). In addition to revising and supplementing the French edition, this volume provides transcriptions of the cuneiform and English translations of every example of Sumerian, Assyrian, and Babylonian chronographic literature as well as seminal essays on the genre and on Mesopotamian historiography in general.

About the AuthorJean-Jacques Glassner is a research director at the French National Center for Scientific Research.
