**Guilhelm Olivier : Mockeries and Metamorphoses of an Aztec God: Tezcatlipoca, 'Lord of the Smoking Mirror' (Mesoamerican Worlds)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Mockeries and Metamorphoses of an Aztec God: Tezcatlipoca, 'Lord of the Smoking Mirror' (Mesoamerican Worlds):

2 of 2 people found the following review helpful. I agree By Petitgars A wonderful book, thoroughly researched and well documented. Aztec gods were a great mix of varied aspects, iterations and manifestations but none of this has been detailed and as well documented as this study on Tezcatlipoca. It is a joy to read, and re read. The research involved is staggering. Sr Olivier has made a major contribution to the study of Mesoamerican religious life with this work. 0 of 0 people found the following review helpful. Five Stars By Darciea great gift 3 of 5 people found the

following review helpful. Prehispanic Mexico By Ethelia Ruiz Medrano A great book, it is the best monography about aztec gods

Neglected by scholars in favour of his great rival Quetzalcoatl, Tezcatlipoca is among the most enigmatic of the Aztec gods. A large amount of documentary, iconographic and archaeological evidence survives for this powerful avenging figure. In this substantial study, now translated into English, Olivier draws on this rich body of evidence to discuss the symbolism associated with the god, his names and representations, his role in the fall of the kingdom of Tollan, his temple, priests and rituals.

"An extraordinarily thorough and meticulous analysis of one of the principal gods of the Aztec pantheon. . . . The book will stand as a major contribution to our understanding of Mesoamerican religion." *Journal of Latin American Anthropology*
