**Conrad Schirokauer : Modern China and Japan: A Brief History** before purchasing it in order to gage whether or not it would be worth my time, and all praised Modern China and Japan: A Brief History:

0 of 0 people found the following review helpful. Four Stars By Usagi Needed this for one of classes and glad had it. Great buy for great price. 5 of 5 people found the following review helpful. All the fun, half the facts! By A

CustomerSchirokauer provides an excellent introduction to the history of modern (and early-modern) China and Japan. He presents the material effectively and CONCISELY, which makes it a delight for any college student to read. Additionally, nice illustrations, an exhaustive index, and an extensive, detailed list of suggestions for further reading make this text worthy of five stars. Kudos to Schirokauer for the skill with which he respectfully argues the viewpoints of both the Eastern and Western cultures during their harshest conflicts.
