From Brand: State University of New York Press : Modern Indian Responses to Religious Pluralism before purchasing it in order to gage whether or not it would be worth my time, and all praised Modern Indian Responses to Religious Pluralism:

The study of modern Indian responses to the challenge of pluralism reveals the outcome of 2500 years of experience in this "living laboratory" of religious encounter, and offers wisdom to the modern West in its relatively recent encounter

with this challenge. A remarkable team of scholars joins forces in this book to examine how religious pluralism actually functions in India. It focuses on both the responses from within Hinduism and of other religions in India, with chapters on Parsis, Indian Islam, Indian Christianity, Sikhism, and Tibetan Buddhism.
