Thomas E. Skidmore, Peter H. Smith, James N. Green : Modern Latin America before purchasing it in order to gage whether or not it would be worth my time, and all praised Modern Latin America:

1 of 1 people found the following review helpful. Solid overview of contemporary Latin America By R. Griswold An excellent holistic overview of modern Latin America! Though an in-depth treatment of each Latin American state is not provided, there is more than enough material provided to make this book a good choice as a first stop for academic research projects on contemporary Latin American history, society, and politics. 0 of 0 people found the following review helpful. Great book By EDUARDO SALUMÉ Excellent book to read 0 of 0 people found the following review

helpful. It was what it said it was By Marcelino Lucero It was what it said it was

Now thoroughly updated in its eighth edition, *Modern Latin America* is a lively interpretive history and the leading text in the field. Featuring vivid, anecdotal illustrative boxes, the book uses case studies to discuss the major countries and themes of the region over the past 200 years. For each country, Thomas E. Skidmore, Peter H. Smith, and James N. Green examine such central themes as European-New World interaction, racial mixtures, military takeovers, and U.S. intervention in the area. Visit the companion website at <http://library.brown.edu/modernlatinamerica/>.

"This is a well written, comprehensive and thorough comparative historical analysis of Modern Latin America presenting clear and effective analytical models with balanced national and regional case studies. A sound pedagogical design which will effectively engage students in discussion and prompt further investigation. A valuable contribution to any classroom." -Roger Davis, University of Nebraska-Kearney "This is the industry standard for Latin American Politics...the broad coverage that does not sacrifice depth to achieve it provides an excellent resource. Furthermore, the chapters on trends in the region help students make sense of a diverse set of countries with distinct experiences and different needs." - Michael Touchton, Boise State University "A thorough economic and political history of Latin America that pays very good attention to regions often marginalized, namely the Caribbean and Central America." - Ruth Percy, University of Southern Mississippi "Modern Latin America has long been the gold standard in the field. Now, with enhanced country coverage ranging from Bolivia to Venezuela, it is as valuable as ever, inside and outside of the classroom...Modern Latin America covers the contemporary (1930-present) history of the various Latin American countries...better than any other textbook on the market." -James Woodard, Montclair State University "I like the current edition. It is well organized and provides a comprehensive introduction to the region. In my opinion, it is one of the best survey texts available." -Felix Masud-Piloto, DePaul University "This is the industry standard for Latin American politics. The chapters on trends in the region help students make sense of a diverse set of countries with distinct experiences and different needs."--Michael Touchton, Boise State University "Modern Latin America has long been the gold standard in the field. Now, with enhanced country coverage ranging from Bolivia to Venezuela, it is as valuable as ever, inside and outside of the classroom."--James Woodard, Montclair State University "This edition contains incisive commentary, clear discussions of the theoretical frameworks employed, and in-depth analysis of countries (or subregions) that is unparalleled in other texts."--Elena Jackson Albarrn, Miami University "A classic in Latin American history and politics. . . . comprehensive, informative, well written, and pitched at the right level for an undergraduate text or as background material for a graduate class. The overall structure of the book-general history, followed by case studies, followed by a return to broader comparisons-makes sense."--Chappell Lawson, Massachusetts Institute of Technology

About the Author Thomas E. Skidmore is Carlos Manuel de Cspedes Professor of History Emeritus at Brown University. He is the author of *Brazil, Second Edition* (OUP, 2009), *Politics in Brazil, 1930-1964* (OUP, 2007), and *The Politics of Military Rule in Brazil* (OUP, 1990). Peter H. Smith is Distinguished Professor of Political Science and Simn Bolvar Professor of Latin American Studies at the University of California, San Diego.
