Keith Moore : Moorish Circle 7: The Rise of the Islamic Faith Among Blacks in America and it's masonic origins before purchasing it in order to gage whether or not it would be worth my time, and all praised Moorish Circle 7: The Rise of the Islamic Faith Among Blacks in America and it's masonic origins:

3 of 3 people found the following review helpful. Good infoBy Coleman13Moorish Science and Masonry good solid

information, but repetitive in ways. 3 of 3 people found the following review helpful. Five Stars By Customer Excellent book! Every student of African American history should read this book. 0 of 0 people found the following review helpful. Well researched history on race! By DAMIAN K. Surprisingly this book is very little about a specific religious belief but rather truthfully connects the dots between all major religions. While displaying the true history of the black race it doesn't demonize subsequent races. Very interesting short read!

This book is based on the theory that the black Muslim movement was created from the knowledge of the Masonic order. In the early decades of the 20th century, noble drew ali established a political and religious organization known today as the Moorish Science Temple of America. It was this organization that exposed black to something other than the normal Christian influences of that day. Ali a high degree freemason, incorporated various Masonic teachings from an auxiliary group. Known as the AEAONMS ancient Egyptian Arabic order of noble of the mystic shrine A pseudo Islamic/Arabic oriental organization that served as a wake up call to a lost knowledge. A knowledge that was taken away from Africans during the slave trades. The theory behind this book is that the majority of the slaves that were taken from the west coast of Africa were practicing Muslims, and these Muslims were forced to convert to Christianity under the strong oppression of slavery. At one time Afro-Americans were the biggest minority in the American society. About 90% of the today's population of black's are descendants of slaves that were brought to America for working on plantations since the 16th century. At the beginning of the 19th century most of the so-called Negroes lived in the plantation areas of the Southern States. After the Civil War and the abolition of slavery it wasn't until the early 1920's and 30's that black's were beginning to experiment with other faiths. Of all the faiths Islam became the fastest growing religion and the most popular. This book by far is in no way a research into black history, instead it covers a more deeper aspect of history in which I call the history behind the history. It explores the true Asiatic origins of the ancient religions of Hinduism, Buddhism well as the Islamic faith. Finally It explores the Masonic symbolisms of ali's Moorish science dogma digging deeper into the esoteric side of his Aquarian/Masonic teaching explaining their origins and disco

About the Author Keith L Moore was born in 1973, and raised in the city of Chicago, Illinois. He received his B.S. in Education in 1999 from DePaul University, Il and his M.A. in Inner City Studies Education from Northeastern Illinois University in 2005. Currently he is working towards a second masters degree majoring in Education at the National College of Education. Since 1992, Mr. Moore's primary research interest has been the study of freemasonry and it's connection to what he defines as the African Moorish science experience. This exposure gave rise to formation of eastern religions and cultures among blacks in the western hemisphere namely North America. In 1994 he was initiated, passed, and raised to the degree of Master Mason and in 1999 to the 32nd degree of Freemasonry. Mr. Moore has always had a fascination with what he defines as the various studies into the esoteric sides of religions. Mr. Moore is an educator, researcher and member of several Masonic and afro centric research societies. Currently Mr. Moore is conducting research on the negro shriners order and their influences on the Islamic faith among blacks in America.
