**Jose Luis Gonzalez-Balado : Mother Teresa: In My Own Words** before purchasing it in order to gage whether or not it would be worth my time, and all praised Mother Teresa: In My Own Words:

2 of 2 people found the following review helpful. had helped me to grasp the true meaning of love and of lifeBy CameoThis is the third time I've purchased this book. I keep a supply of Mother Teresa's books handy to give as gifts to friends/family members, or sometimes even strangers, who are going through dark times. This, and other books about and by Mother Teresa, had helped me to grasp the true meaning of love and of life, and helped put my feet back on the ground through some very difficult times. I'm happy to say the books have helped my gift recipients also!3 of 3 people found the following review helpful. Pearls of Wisdom from one who Spoke with the Authority of ServiceBy Richard SnoufferThis book is a treasury of wisdom from one who lived a radical life of poverty and service so that she

could be more effective at bringing Jesus to "the poorest of the poor in their holes on the streets." Easily read, and with pictures from her life, this book is well organized. While "Mother Teresa: Come Be my Light" would be a much more complete and in-depth book on this (probable) saint, that one is also a much heavier read. This book, "In My Own Words," is much more easily digested and serves as both a good introduction to this saintly life, and as a source of pithy pearls of wisdom in readily grasped and inspirational morsels. This book belongs on the shelf of all Christians to serve as inspiration and guide in our treatment of others, and indeed, of any who desire, no matter their religious affiliation (or lack thereof), to serve their fellow human beings. 0 of 0 people found the following review helpful. Easy Read By Kate Snull OMG- Love this little book. Easy read, honest and transparent!

The collection of quotes, stories, and prayers in this book are all her own words and experiences. They were compiled from various sources. Her undying faith and concern of the human spirit is reflected in these passages. In her years of work, Mother Teresa has brought God to millions in places of darkness. Let her share her hope, faith, and love with you.

.com Though Mother Teresa's words may be spare, her good deeds are abundant. The messages in this lovely collection--directed at coworkers, sisters, and others eager to hear the words of someone who lived the challenge she presented to others--are sure to provide inspiration for anyone who reads them. The quotes, stories, and prayers are a testament to the 1979 Nobel Peace Prize winner's generosity and strength of spirit: "Good works are links that form a chain of love"; "I never will understand all the good that a simple smile can accomplish"; "Before judging the poor, we have to examine with sincerity our own conscience." Mother Teresa's words and deeds fortified and inspired the poor, the dying, and the suffering. These powerful messages, combined with black-and-white photos of this highly regarded woman doing the work she loved, make for a truly unforgettable book. From the Inside Flap The legendary Mother Teresa's work for?and among?the poor has become the yardstick by which the entire world measures compassion, generosity, and selflessness. Her words and actions have inspired millions of people from every race and religion and country to help the poor and needy, a legacy that is her gift to all mankind for generations to come. From 1950, when she founded the order of Missionaries of Charity, to winning the Nobel Peace Prize in 1979, and then, in 1985, being awarded the Medal of Freedom?the United States' highest civilian award?to her final days, Mother Teresa served the world as a beacon shedding the light of hope, comfort, and peace on all. Mother Teresa: In My Own Words is a timeless testament to the power of her words. Here are the same quotes, stories, and prayers that helped strengthen and inspire the poor, the dying, the suffering, and the doubting who she met during her lifetime, and that will continue to strengthen and inspire all who read them.
