**Sheila Isenberg : Muriel's War: An American Heiress in the Nazi Resistance** before purchasing it in order to gage whether or not it would be worth my time, and all praised Muriel's War: An American Heiress in the Nazi Resistance:

1 of 1 people found the following review helpful. Five StarsBy Roberta J. RaenAnother great woman we never learned about.2 of 2 people found the following review helpful. Muriel's WarBy John KallirMuriel Gardiner was an American heiress who helped scores of people who were in mortal danger after the German invasion of Austria because of their racial or political affiliation. Gardiner's courage and idealism became the subject of several plays by

Lillian Hellman who, however, refused to acknowledge Gardiner as their heroine. Gardiner's own account of her rescue mission is brief and modest. The full story, based on unpublished records, is told in Isenberg's book. 1 of 1 people found the following review helpful. Another amazing story By Castle Someone needs to do an updated movie on this story. It has all the amazing plot lines. What an incredible woman.

An American heiress turned resistance hero, Muriel Gardiner was an electrifying woman who impressed everyone she met with her beauty, intelligence, and powerful personality. Her adventurous life led her from Chicago's high society to a Viennese medical school, from Sigmund Freud's inner circle to the Austrian underground. Over the years, she saved countless Jews and anti-fascists, providing shelter and documents ensuring their escape. This remarkable woman's life as a legend of the Austrian Resistance was captured in the movie *Julia* with Vanessa Redgrave and remains an inspiration to all those who believe that one individual can change the world. Gardiner's astonishing story is told here for the first time in all its variety and unanticipated twists and turns.
