Siraj I. Mufti Quite a few books have been written on the great Muslim civilization that lasted over a thousand years and its tremendous achievements. This book is a documentation of its fall after this long history, It provides insightful and deep analyses that are missing in other manuscripts. Should be essential reading for all sincere students exploring this vast area. 0 of 0 people found the following review helpful. Bring about social-change through peaceful means By urf Ashok Raj This is a great and insightful work. It describes how to bring change in society and social system through peaceful means and reform as against revolution. There are many things that are new to me. Even our Christian brethren will find this work most enlightening and highly beneficial.

"[This is] a subject of such relevance and importance that one wonders why nobody else dealt with it in book form before." Dr. Wilfried Hofmann Muslim civilization has experienced a decline during the last five centuries after previously having undergone a long period of prosperity and comprehensive development. This raises a number of questions such as what factors enable Muslims to become successful during the earlier centuries of Islam and what led them to their present weak position. Is Islam responsible for this decline or are there some other factors which come into play? M. Umer Chapra provides an authoritative diagnosis and prescription to reverse this decline. M. Umer Chapra is a research advisor at the Islamic Research and Training Institute of the Islamic Development Bank, Jeddah, and author of *The Future of Economics and Islam and the Economic Challenge*.

"Dr Chapra has chosen a subject of such relevance and importance respectively that one wonders why nobody else dealt with it in book form before. (He) asks questions that most Muslims ask, while shying away from answering them." Dr. Wilfried Hofmann "This humane book is very well conceived and makes real progress towards achieving the laudable goals it advocates....each chapter plays an effective role in explaining the decline and, therefore, conceiving of ways to achieve reform." Prof. Robert Whaples
