**Mair Russell-Jones, Gethin Russell-Jones : My Secret Life in Hut Six: One Woman's Experiences at Bletchley Park** before purchasing it in order to gage whether or not it would be worth my time, and all praised My Secret Life in Hut Six: One Woman's Experiences at Bletchley Park:

1 of 1 people found the following review helpful. feeling transported back to a time before I was born that has always

been one of great personal interest to meBy Joy FarringtonI read this cover to cover in a week, feeling transported back to a time before I was born that has always been one of great personal interest to me, and discovering a whole new story. Mair Russel-Jones is a woman worthy of spending the time to get to know through this book and Gethin Russel-Jones has beautifully pieced it all together in a way that completely captures the reader and gives honour to a huge and vital part of British history.0 of 0 people found the following review helpful. good for the back storyBy Susan ApsleyI liked the surrounding story but I don't think I would have had much in common with Ms Russell-Jones.2 of 2 people found the following review helpful. One of the best Non-Fiction books I have read latelyBy Charleen WozniakOne of the best Non-Fiction books I have read lately. I learn a great deal and the story line gave me the need to learn more.

Mair Thomas tells her story in this fascinating memoirthat of a decoder in World War II, using all of her skills to help break the infamous German Enigma CodeThe story of the World War II decoders of Bletchley Park continues to fascinate. How did Mair Thomas, a musician brought up in the Welsh valleys, find herself in the rarefied atmosphere of Hut Six, surrounded by hundreds of others, all desperately trying to break the German Enigma Code? Sworn to secrecy and working in cramped and uncomfortable conditions, Mair discovered her degree in German and Music was just what was needed. Drawn from the public schools and Oxbridge her background was very different to that of most of her colleagues and she didnt immediately fit in. This captivating memoir unpacks her daily life and explores the relationships she built. My Secret Life in Hut Six provides a fascinating insight into one woman's battle against Nazi Germany, vividly capturing an era of danger, strain and day to day difficulties that were brightened occasionally by visits from the top brass, such as Winston Churchill.

"As someone who has written extensively on Bletchley Park, I rate this very highly . . . among the books written about one single person who worked at Bletchley it is of the highest quality." Michael Smith, author, The Secrets of Station X
