GREAT book, BAD packingBy CustomerI love the cover! the Sorry, I'm not a paper expert, but I love it's texture, like rubber and really smooth... the page are also of good quality.. definitely worth buying!.. My only complain is that (again) delivery didn't pack it well, so when I got the book, the cover's crumpled already..:(But the book is LOVE!0 of 0 people found the following review helpful. Since its original publication by Little, Brown and Company in 1942, Edith Hamilton's Mythology has sold millions of copies throughout the world and established itself as a perennial bestseller in its various available formats: hardcover, trade paperback, mass market paperback, and e-book. Mythology succeeds like no other book in bringing to life for the modern reader the Greek, Roman, and Norse myths and legends that are the keystone of Western culture - the

stories of gods and heroes that have inspired human creativity from antiquity to the present.
