From John B Cobb : Resistance: The New Role of Progressive Christians before purchasing it in order to gauge whether or not it would be worth my time, and all praised Resistance: The New Role of Progressive Christians:

1 of 1 people found the following review helpful. A new way forward By Rev. David Price John Cobb is pioneer in Process Theology. His work is ground breaking, alive and fresh air to those who struggle to leave the framework of "Tea Party" thinking. It is not an easy work for those who don't have a theological/philosophical background. It is worth the effort to journey through the book and the other works by Dr. Cobb. Process Theology provides a window

on a better approach to responsible, inclusive spiritual life for all who live on the planet and want to pass on a beautiful world to those who will come after us..0 of 0 people found the following review helpful. Excellent documentation of a lot of critical thinkingBy Areta V. CrowellCould well be a college text on the development of theological thinking in the last 50 years . Excellent documentation of a lot of critical thinking.

Convinced that several crucial historical trends are moving in the wrong direction, John Cobb Jr. and his coauthors urge Christians to live in countercultural ways--as individuals and as communities. Consumerism, inequality, imperialism, and global warming, they contend, are of such magnitude that the only real response for progressive Christians is to actively resist them. This book explores how the word of God calls Christians to resist the world's dominant forces and reflect on how prayer can provide the conviction and commitment necessary for sustaining such a life. It examines particular destructive forces, showing how these trends attained dominance and analyzing their effects and explores two theological movements that have stressed the need for resistance: Latin American liberation theology and feminist theology. Finally, it gives specific examples of how individuals and churches can live in countercultural ways.

About the AuthorJohn B. Cobb Jr. has held many positions including Ingraham Professor of Theology at the Claremont School of Theology, Avery Professor at the Claremont Graduate School, Fullbright Professor at the University of Mainz, and Visiting Professor at Vanderbilt, Harvard, and Chicago Divinity Schools. His writings include *Christ in a Pluralistic Age: God and the World*; and, with coauthor Herman Daly, *For the Common Good*, which was cowinner of the Grawemeyer Award for Ideas Improving World Order.
