This book provides a great mixture of historical background and current events detailing the slow evolution away from the Constitution. It teaches that If America looks back to the Constitution, it will get back on track to greatness again.

Great call for a rebirth of a God-centered vision of our nations founding, as well as a call to action for all Christian Americans to embrace the Constitution with the hope to see the Liberties around which America was found preserved.

By Mary Ann Hibbeler
Wonderful Book! This is written by a bible scholar and a scholar of US history, as well as being a U.S. Congressman and Speaker of the House of Representatives. All Christians need to read this book. It tells the truth about how America has forgotten God. Not just the government and the country as a whole, but you and I, as individuals, who have forgotten how this country was created and dedicated to God by devout men and women who worked and sacrificed themselves for it. It is something that can be seen just by honestly reviewing our history as a nation and our own lives as Christians. Both have moved away from our heritage and forgetting the reason we exist in the first place. Teachers now lead our children away from God by every means available, even to the point of lying about the founders' beliefs who created this nation. I am no good at explaining things, but Tom DeLay is, so I encourage you to read this very honest book. You may not agree with everything it, but you might be surprised at just how much biblical truth is revealed.

IS AMERICA HEADED TOWARD DEATH OR REBIRTH? God is the core of the Constitution and the Constitution is the core of American governance. As God has been displaced at the heart of the nation, so constitutional government is being lost. America is at a strategic moment in her history. Will the qualities that have made the nation exceptional be consigned to the grave like other historic civilizations, or will they spring up with new vitality? In *Revival! Revolution! Rebirth!* Tom DeLay, who spent more than two decades in Congress, provides penetrative analysis of what is wrong with this great nation as a former majority leader, he provides fresh solutions for setting things right. Following DeLay's quest for God-centeredness in his personal life, *Revival! Revolution! Rebirth!* is a riveting story of repentance and transformation followed by intense political persecution. Enter the inner sancta of the U.S. Congress as you read about the impeaching of a president, rebellion in the ranks, and the indictments that followed. Find out how the Lord can use a grueling ordeal for his glory. Learn about the biblical cycle of nations and discover some practical ideas for a restoration of original constitutional principles. And as DeLay and former congressional aide Wallace Henley draw from their rich experience, discover the powerful reasons for hope! "

About the Author Tom DeLay served twenty-two years in the U.S. House of Representatives, becoming Majority Leader. Tom's life was revolutionized in 1985 when he became a committed Christian. Tom and his wife, Christine, are blessed with a daughter, Dani, son-in-law, Chris, and two grandchildren. Wallace Henley is a former White House and congressional aide, pastor, and prolific author. Wallace cut his teeth as a young reporter and editor at the Birmingham News, covering that city's civil rights upheavals and other social movements in the turbulent 1960s.
