Prof.M.M. Ninan : Rewriting Hindu History: How do they do it? before purchasing it in order to gage whether or not it would be worth my time, and all praised Rewriting Hindu History: How do they do it?:

History is always rewritten by the dominant class in every nation. This is not different in Hindu History. How this is done is seen through the various subtle techniques are shown in a few specific cases in the recent decades in this book.

The techniques are based on the ethical basis of Hinduism.
