Like always--there are tons of entertaining and interesting facts and stories. And, like always--there are some that are just a bit too gross for me! 0 of 0 people found the following review helpful. Freaky and fun reading! By janelle krauss I bought this for my daughter's 11th Birthday. She loves the strange, gross, freaky pictures and facts that Ripley's books provide. This one did not disappoint. She sometimes takes it to school to read during free time, and the book never fails to draw a crowd and requests to borrow it! 2 of 2 people found the following review helpful. Great gift !
