Wonderful Treasure Trove of Rare Photographs, Family Letters and Narrative By Chrystine Collins-Blums I haven't quite finished "Rose Kennedy's Family Album" but I am really enjoying it. I have seen a handful of the photos before but I think 80% of them I have not. There is also a nice narrative that accompanies the pictures and copies of handwritten letters. It is more detailed than I thought it would be which is a nice bonus. I have read at least a dozen Kennedy biographies but I have still gleaned some new information from the basic biographical information. I bought the Kindle version after much debate. The Kindle version is well formatted - nice surprise! I can definitely see the merits in owning the hardcover copy but I have a small house and have been downsizing my book collection anyway. The less expensive Kindle price made it easier to rationalize my

guilty Kennedy pleasure, too! If you're a true fan of all things Kennedy, this is a can't miss - buy the book. If you have even a passing interest, check it out of the library when it becomes available. Caroline Kennedy doesn't need the money...lol :) 8 of 8 people found the following review helpful. LOVED IT!!! By Mary-Caryl Ferdenzi I have enjoyed reading about The Kennedy and Fitzgerald Families since the time I was three years of age....this book was yet just another bonus to my already extensive collection!!! LOVED IT!!! Mary-Caryl Shannahan Ferdenzi 6 of 6 people found the following review helpful. FOR THE KENNEDY FAMILY HISTORY FAN...A GREAT BOOK. By Donald Carroll I purchased this as a birthday present for a Kennedy buff and enjoyed it so much that I purchased my own copy. Very well done...Love the combination of personal letters and notes along with the photos...Left me wanting more...Very inclusive of ALL the Kennedy clan not just JFK. Excellent book!

To mark John F. Kennedy's centennial, celebrate the life and legacy of the 35th President of the United States.

"A rare, intimate glimpse of...America's 35th President-to-be, surrounded by the siblings who helped shape him." People "Fascinating...an intriguing, unique window into the formation of one of the country's most enduring and controversial dynasties." Kirkus s About the Author Foreword by Caroline Kennedy, the author/editor of ten bestselling books on constitutional law, American history, politics, and poetry. A graduate of Harvard University and Columbia Law School, Kennedy is active in the efforts to improve New York City public schools and serves as President of the John F. Kennedy Library Foundation.
