I found that the writing style was easy for me to read, and I wasn't as bored as when I was in class. Some of the things in them don't agree with current ideas, but in a way that makes them charming.3 of 3 people found the following review helpful. Read all but oneBy Jimm BuddOver the past several decades I have been reading these books by the Durants. That indicates how much I enjoy them. Now there is just one more volume. Scares me. Will it the the last book I ever read?0 of 0 people found the following review helpful. Book lives up to promiseBy
