**James G. Durham, Virginia Thomas : Sacred Buffalo: The Lakota Way For A New Beginning** before purchasing it in order to gage whether or not it would be worth my time, and all praised Sacred Buffalo: The Lakota Way For A New Beginning:

This is the compelling story of the seven-year quest that inspired a monumental work of Native American art - the carving of an entire buffalo skeleton with the seven sacred rites of the Lakota Sioux. At the heart of this story lie the history traditon of a proud and deeply spiritual people, the Lakota, and a message of hope for people of all origins.
