have and to share, to know how to put the teaching of yoga in your daily life!

Samarpan is the culmination of all spiritual sadhanas, and the ultimate point of human evolution. It is a process of unconditional self-surrender in which the limited, individual ego is transformed, over thousands of life-times, into an instrument of the divine will, able to commune with God and to serve His entire creation. Compiled from the enlightened wisdom of two modern day sages, Swami Sivananda Saraswati and his disciple, Swami Satyananda Saraswati, (Author of Asana Pranayama Mudra Bandha) this book illumines every aspect of samarpan, including the transcendental concepts of supreme love, perfect contentment, detachment and eqanimity, divine grace, and the power of faith in God, the essence of the guru-disciple relationship, and the subtle realities facing every devotee treading the path of self-surrender. Samarpan, Living the Divine Connection is an offering to all the spiritual aspirants, a reminder of the grand purpose of human life and an inspiration to attain it.
