Thomas E. Mails : Secret Native American Pathways: A Guide to Inner Peace (Religion and Spirituality) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Secret Native American Pathways: A Guide to Inner Peace (Religion and Spirituality):

More than 40 years ago, Thomas E. Mails began a personal exploration of the spiritual richness of traditional Native American customs and secret ceremonies. Using his gifts as a talented illustrator and writer, he tirelessly worked to

bring the spiritual culture of Native Americans to readers until his death in November 2001. This new edition of *Secret Native American Pathways* authentically details the religious beliefs and ritual of four major tribes (Apache, Cherokee, Hopi, and Sioux).
