Julian M. Pleasants, Harry A. Kersey Jr. : Seminole Voices: Reflections on Their Changing Society, 1970-2000 (Indians of the Southeast) before purchasing it in order to gauge whether or not it would be worth my time, and all

praised *Seminole Voices: Reflections on Their Changing Society, 1970-2000* (Indians of the Southeast):

In a series of interviews conducted from 1969 to 1971 and again from 1998 to 1999, more than two hundred members of the Florida Seminole community described their lives for the Samuel Proctor Oral History Program at the University of Florida. Some of those interviews, now showcased in this volume, shed light on how the Seminoles society, culture, religion, government, health care, and economy had changed during a tumultuous period in Floridas history.

"Seminole Voices shows that Florida's Seminoles experiences dramatic changes between 1970 and 2000. . . . The authors deserve special commendation for making these voices available to tribal members and general readers."Jane F. Lancaster, *Journal of Southern History*
