Mr. Jared Timewoff : Seven Signs of The Second Coming: Be Ready for Future Events (The Earth Life Chronicles) (Volume 1) before purchasing it in order to gage whether or not it would be worth my time, and all praised Seven Signs of The Second Coming: Be Ready for Future Events (The Earth Life Chronicles) (Volume 1):

1 of 1 people found the following review helpful. Excellent Read!By Reggie DottererRefreshing and rare as the author is willing to take the risk and interpret in modern day terms ancient scripture and revelation, treading where so many biblical experts dare not. Using literal interpretations the author makes complex scripture real. He easily defines what exactly cryptic scripture and revelations mean in our modern world, how these things relate to what is to come. while stressing the importance to prepare. A must read, entertaining and interesting!

This book contains information in layman's terms that any Biblical student can easily learn. We read the signs on a road map to get to our destinations as we travel. We can also learn and watch for the signs as they appear to know about when The Lord will come the second time. This is a guide book full of references that can be looked up and verified with little effort. This Author gets right to the point and raises as well as answers our questions.

About the AuthorJared Timewoff is a Biblical and historical researcher for over 30 years. He speaks English and Spanish and has volunteered his time out side of his country to serve the Guatemalan people. He loves to serve in Scouting organizations and emergency preparedness groups in his community.
