A Legacy !By Connie BlackwellBefore I read the "She Left a Legacy " I sat under the teaching of Pastor Frieda White on the book ofRuth ! Hearing all the stories of Ruth I had to read this book ! The love Ruth had for Boaz made me really think what is the true meaning of love. After readings the book I questioned if I was giving enough of my self to Jesus and my church. Connie B

The love story between Ruth and Boaz has been a favorite through the centuries. Frieda White goes into great detail on the principal characters of the book and their significance to us today. One of the five women named in the ancestry of the Lord Jesus Christ, there is much to learn about her godly character traits and how they can apply to us.
