Jack Rollin, Glenda Rollin, John (COM) Anderson, John Anderson : Sky Sports Football Yearbook 2013-2014
before purchasing it in order to gauge whether or not it would be worth my time, and all praised Sky Sports Football Yearbook 2013-2014:

1056 fact-filled pages with everything you need to know about domestic and international football. This 44th edition of

the football bible brings you all the Premier League, Football League, Champions League and Europa League stats. It never fails to deliver with unrivalled stats and information including a comprehensive season-by-season players' directory with an invaluable A-Z of all entries; the most informed stats for English and Scottish league and cup matches and English and Scottish important dates at home and abroad for the 2013-2014 season. As ever, this is the 'first reference book you should turn to'.
