**Mosab Hassan Yousef : Son of Hamas: A Gripping Account of Terror, Betrayal, Political Intrigue, and Unthinkable Choices** before purchasing it in order to gage whether or not it would be worth my time, and all praised Son of Hamas: A Gripping Account of Terror, Betrayal, Political Intrigue, and Unthinkable Choices:

0 of 0 people found the following review helpful. Terrorism GuttedBy Greenstone"Son of Hamas" is the telling of a journey from Islam to Jesus. Some might suggest rather the journey is to Christianity. This reviewer prefers to point to Jesus because Christendom has become riddled with groups, denominations and educated fools that wouldn't know Jesus if He shook hands with them.Many will object to the focus of this review being put on the Lord when the major portion, a good 80-90 percent of the tale is the raising of a young Palestinian into the centered bowels and heart of the terrorist organization known as Hamas.Fascination and unbelief grips the reader from the opening pages as the realization that a real tour into the conduct and mire of the middle-east conflict unfolds before them from the streets of Ramallah. This autobiographical testimony deepens horrifically with every paragraph. Again, one is constantly challenged to accept what is being set before him as true.An oft made remark concerning the days of this world continuing to exponentially accelerate plays out shockingly in 'Son of Hamas'.Co-author Ron Brackin invisibly guides Mosab Yousef through the literal minefields of terrorism's underbelly exposed. Well done, sir, you were never noticed.Yousef's integrity bleeds all over the pages of today's news retold.And yet, the deeper, greater, eternal impact is yet to be known. Somewhere in the chaos of war, God is leading, even to bringing enemies together to finally become life-long friends, brothers to the last.As complicated as can be imagined, this is obviously the beginning of a saga heading towards Armageddon. Who knew?This reviewer had initially avoided 'Son of Hamas' as just another confessional. But then, Mr. Yousef's startling, jolting speech before the UN, following the publication of this book, undoubtedly available in video on the Internet, displayed his astounding bravery in the flesh.Attention was demanded of this work. He gutted Hamas at the UN. But first he gutted terrorism in 'Son of Hamas.'What a privilege to read.TL Farley,author,Blast Off Rapiemur - The imminent Rapture. I Thess. 4:14.1 of 1 people found the following review helpful. I couldn't put it down.By Patrick T. MichaelI like this book a lot. It is one of those books that I just could not put down. The facts of his life are as incredible and exciting as any in a James Bond novel. The fact that they are true makes up for any shortcomings in his writing skill. It gives a great insider look at the life of fear and terror that is an every day occurrence in Palestine.0 of 0 people found the following review helpful. Excellent book you won't want to put down.By dpurserAn excellent book, written in a style that keeps you engaged and wanting to read more. The story of his life and experiences and how God entered into his world to draw him to the truth, is a wonderful testimony to the love of God overcoming the sinfulness of man.

Son of Hamas is now available with an all-new chapter about events since the books release such as the revelation of Mosabs Israeli intelligence handlers true identity, and Homeland Securitys effort to deport the author.Since he was a small boy, Mosab Hassan Yousef has had an inside view of the deadly terrorist group Hamas. The oldest son of Sheikh Hassan Yousef, a founding member of Hamas and its most popular leader, young Mosab assisted his father for years in his political activities while being groomed to assume his legacy, politics, status . . . and power. But everything changed when Mosab turned away from terror and violence, and embraced instead the teachings of another famous Middle East leader. In Son of Hamas, Mosab reveals new information about the worlds most dangerous terrorist organization and unveils the truth about his own role, his agonizing separation from family and homeland, the dangerous decision to make his newfound faith public, and his belief that the Christian mandate to love your enemies is the only way to peace in the Middle East.

". . . more incendiary than any roadside IED"--"GQ" . . . offers a view of the Palestinian-Israeli conflict few others could provide."--International Fellowship of Christians and Jews"The Israelis issued this book as a kind of propaganda."--Hamas terrorist leader Osama Hamdan, Amanpour, CNN International." . . a Le Carreesque thriller wrapped in a spiritual coming-of-age story . . ."--Matthew Kaminski, The Wall Street Journal"Fascinating book. I couldn't put it down."--Sean Hannity, Fox News"Explosive . . . a story that feels like a long-lost Abrahamic fable that has morphed into contemporary history."--David Grant, Christian Science Monitor"reads with the page-turning ease of a great thriller."--Claudia Rosett, Forbes" . . . more incendiary than any roadside IED" . . . more incendiary than any roadside IED"--GQFrom the Inside FlapBefore the age of twenty-one, Mosab Hassan Yousef saw things no one should ever see: abject poverty, abuse of power, torture, and death. He witnessed the behind-the-scenes dealings of top Middle Eastern leaders who make headlines around the world. He was trusted at the highest levels of Hamas and participated in the Intifada. He was held captive deep inside Israel's most feared prison facility. His dangerous choices and unlikely journey through dark places made him a traitor in the eyes of people he loves-and gave him access to extraordinary secrets. On the pages of this book, he exposes events and processes that to this point have been known only by a handful of individuals. . . .Mosab Hassan ("Joseph") Yousef is the son of Sheikh Hassan Yousef, a founding leader of Hamas, internationally recognized as a terrorist organization and responsible for countless suicide bombings and other deadly attacks against Israel. An integral part of the movement, Mosab was imprisoned several times by the Israeli internal intelligence service. After a chance encounter with a British tourist, he started a six-year quest that jeopardized Hamas, endangered his family, and threatened his life. He has since embraced the teachings of Jesus and sought political asylum in America. Ron Brackin has traveled extensively in the Middle East as an investigative journalist. He was in Bethlehem, Ramallah, Gaza, and Jerusalem during the Al-Aqsa Intifada. He was on assignment

in Baghdad after the fall of Iraq and more recently with the rebels and refugees of southern Sudan and Darfur. He has contributed articles and columns to many publications, including "USA Today" and the "Washington Times." Ron served as a broadcast journalist and a congressional press secretary in Washington after graduating from the University of Maryland's Philip Merrill College of Journalism. From the Back Cover The shocking true story of a Hamas insider who rejected his violent destiny-and is now risking everything to expose closely guarded secrets and show the world a way to peace. Since he was a small boy, Mosab Hassan Yousef has had an inside view of the deadly terrorist group Hamas. The oldest son and heir apparent of Sheikh Hassan Yousef, a founding member of Hamas and its most popular leader, young Mosab assisted his father for years in his political activities while being groomed to follow in his footsteps. But everything changed when Mosab embraced the teachings of another famous Middle East leader instead. What he learned changed his life and could alter the course of his country's future-forever. In "Son of Hamas," Mosab reveals new information about the world's most dangerous terrorist organization and unveils the truth about his own secret role, his agonizing separation from family and homeland, his dangerous choices, and his belief that the mandate to "love your enemies" is the only way to peace in the Middle East.
