James H. Overfield : Sources of Global History Since 1900 before purchasing it in order to gauge whether or not it would be worth my time, and all praised Sources of Global History Since 1900:

0 of 0 people found the following review helpful. Real primary literature for historical events By Wyatt This book really gives a different view of history. Instead of reading someone else's interpretation, why not read primary literature to see what the people were really saying during historical events? The author does give helpful information that gives more context to what was going on. This is not a storybook, however, so it might not be entertaining unless you're really into history. 1 of 2 people found the following review helpful. I like Book By Nate Dogg Good read. 0 of 2 people found the following review helpful. fast delivery when everyone else was out By Denise M Gordy good resource and reference added great value to the rest of my material would purchase again apparently a popular book

SOURCES OF GLOBAL HISTORY SINCE 1900 is a primary source reader designed to supplement modern world history courses. It contains both textual and visual sources from around the world and features strong pedagogical

learning aids to ensure students are equipped with the information needed to understand and appreciate each document.

About the Author James H. Overfield, Professor Emeritus at the University of Vermont, received his BA from Dension University, his MA from the University of Chicago, and his PhD from Princeton University. During his career at Vermont he received the University's outstanding teacher award, and served many years as Department of History Chair, in which capacity he was a strong advocate for the study and teaching of global history. His publications include *Humanism and Scholasticism in Late Medieval Germany* (Princeton University Press, 1984), as well as numerous articles on late medieval and early modern European thought. He served as editor for three volumes (1750-1914) of the ABC-CLIO World History Encyclopedia and is author of *Sources of Global History since 1900* (Cengage: 2013).
