**From Peter H Lee : Sources of Korean Tradition, Vol. 1: From Early Times Through the 16th Century (Introduction to Asian Civilizations)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Sources of Korean Tradition, Vol. 1: From Early Times Through the 16th Century (Introduction to Asian Civilizations):

0 of 0 people found the following review helpful. If anyone is interested in the stories behind those great Korean Television epics this is the book. By Montanalf anyone is interested in the stories behind those great Korean Television epics this is the book. 0 of 0 people found the following review helpful. Four Stars By Allen L. Sivley excellent 0 of 0 people found the following review helpful. Five Stars By JFgreat

Drawn from Peter H. Lee's Sourcebook of Korean Civilization, Volume I, this abridged introductory collection offers students and general readers primary readings in the social, intellectual, and religious traditions of Korea from ancient times through the sixteenth century. Sources of Korean Tradition is arranged according to the major epochs of Korean history, including sections on: Korean culture - its origins, writing, education, poetry, song, social life, and rituals; religion - the rise of Buddhism and Confucianism; the economy - the land, agriculture, commerce, and currency; and its changing political structures. A superb collection by the foremost scholars in the field, Sources of Korean Tradition is supplemented by a bibliography and prefaces by both editors. An impressive storehouse for the grand corpus of thought, beliefs, and customs held by people of Korea for centuries, this volume is a valuable companion for those interested in the history of Korea and East Asian studies.

A monumental accomplishment. (Korean Studies) Beginning scholars of Asian Studies... will find this a challenging but worthwhile book to read. (Korean Quarterly) From the Back Cover Drawn from Peter H. Lee's Sourcebook of Korean Civilization, Volume I, this abridged introductory collection offers students and general readers primary readings in the social, intellectual, and religious traditions of Korea from ancient times through the sixteenth century. About the Author Peter H. Lee is Professor of Korean and Comparative Literature in the Department of East Asian Languages and Cultures at the University of California, Los Angeles, and author of Songs of Flying Dragons: A Critical Reading; A Korean Storyteller's Miscellany; and Pine River and Lone Peak. Wm. Theodore de Bary is John Mitchell Mason Professor Emeritus and Provost Emeritus of Columbia University. He is the compiler of Sources of Chinese Tradition and Sources of Japanese Tradition, and editor of The Rise of Neo-Confucianism in Korea, all published by Columbia University Press.
