**Marvin Perry : Sources of the Western Tradition Volume II: From the Renaissance to the Present** before purchasing it in order to gage whether or not it would be worth my time, and all praised Sources of the Western Tradition Volume II: From the Renaissance to the Present:

3 of 3 people found the following review helpful. Requirement for my western civ classBy AlexThis book was a requirement for my western civilization class. Like most textbooks, it's rather dry. It seems a bit expensive for the size, but what textbook isn't.1 of 1 people found the following review helpful. Awesome resource for students and teachersBy Erin DohertyAn amazing source book. I was assigned to read this as a college student, but later bought it for use when I taught World History at the High school level. It was an invaluable resource not only for myself but for my students to easily access historical documents when it came time for them to write research papers.0 of 0 people found the following review helpful. This book came in horrible condition! There were about 30 pages that are ...By Jordan S. StclairThis book came in horrible condition! There were about 30 pages that are completely removed from

the spine and I can hardly turn a page without the entire book wanting to fall apart. I will never rent from prime again in my life! I understand books won't be perfect, but literally having a book pieced together like a puzzle is just ridiculous.

With a collection of over 375 sources, each accompanied by an introductory essay and review questions, this two-volume primary source reader emphasizes the intellectual history and values of the Western tradition. Sources are grouped around important themes in European history--such as religion, education, and art and culture--so that readers can analyze and compare multiple documents. The ninth edition features additional sources by and about women, completely revised chapters on modern Europe and its place in the contemporary world, and updates to introductions and review questions.

"The principal virtue of SOURCES OF THE WESTERN TRADITION is that it provides a wide selection of primary documents that enable students to grasp the lived experience of people in the past. As an intellectual historian, I am particularly pleased by the number of texts by thinkers and public intellectuals. The wide array of sources offers a full-bodied approach to Western history." "Strengths include the wide breadth of readings across time. Readings also include multiple perspectives. Assigned in tandem, this can offer fine opportunities for class discussion." About the Author Marvin Perry, now retired, taught history at Baruch College, City University of New York. He has published several successful Cengage Learning texts, including WESTERN CIVILIZATION: IDEAS, POLITICS, AND SOCIETY (senior author and general editor); WESTERN CIVILIZATION: A BRIEF HISTORY; the leading Western Civilization reader, SOURCES OF THE WESTERN TRADITION; AN INTELLECTUAL HISTORY OF MODERN EUROPE; SOURCES OF EUROPEAN HISTORY SINCE 1900 (senior editor); HUMANITIES IN THE WESTERN TRADITION (senior author and general editor); and WORLD WAR II IN EUROPE: A CONCISE HISTORY. His scholarly work includes ARNOLD TOYNBEE AND THE WESTERN TRADITION (1996); coauthor of ANTISEMITISM: MYTH AND HATE FROM ANTIQUITY TO THE PRESENT (2002); coeditor of ANTISEMITIC MYTHS: A HISTORICAL AND CONTEMPORARY ANTHOLOGY (2008); and coeditor of THE THEORY AND PRACTICE OF ISLAMIC TERRORISM: AN ANTHOLOGY (2008). Dr. Perry's scholarly work focuses on the history of ideas.
