gauge whether or not it would be worth my time, and all praised *South and Meso-American Native Spirituality: From the Cult of the Feathered Serpent to the Theology of Liberation (World Spirituality) (Vol 4)*:

5 of 5 people found the following review helpful. The Best Overview of Meso-American Spirituality
By cloud2013
This a ground breaking collection of papers on Colonial and contemporary Meso-American Spirituality. One of the many contributions this work makes to the available literature is that many of the papers are original translation from the Spanish academic community. The selection of papers is excellent. This is the work against all others will be judged.

This book looks at the diverse spiritual traditions that have evolved in South and Central America and the Caribbean, since their first violent encounter with Europeans in the 16th century. Rich, varied writing from international scholars examines the diversity of religious practices and beliefs.

About the Author
Gossen is Dean of Students and Faculty at Deep Springs College in Deep Springs, California. Miguel Leon-Portilla is the author of more than forty books, including *Broken Spears* through Aztec Thought and Culture. He lives in Mexico.
