**Sara Drogin : Spare Me the Details!: A Short History of Western Civilization** before purchasing it in order to gage whether or not it would be worth my time, and all praised Spare Me the Details!: A Short History of Western Civilization:

0 of 0 people found the following review helpful. Great Overview of Western HistoryBy Michael ZuckerThis is a great book for getting a straight forward, classic telling of Western History, from Greece to the present. It touches on the great events, individuals, and themes.0 of 0 people found the following review helpful. Five StarsBy gdpriceGreat for history class! Like the way the author writes0 of 0 people found the following review helpful. Good readBy

K.H.Great book. I cannot believe some of the things that are still being taught in our history books that are a complete farce.

I wish I knew more about Western history. Adult, parent, student, and traveler: Who of us hasn't had this thought? Sara Drogin, a veteran high-school history teacher, addresses this wish with *Spare Me the Details!*, a "refresher text" for adults and students. Written in a lively and conversational style, *Spare Me the Details!* provides a concise overview of Western civilization. *Spare Me the Details!* begins with Ancient Greece and concludes with the twenty-first century. The book describes the key periods, events, and luminaries of Western history, provides cause-and-effect analysis, and establishes historical connections across time periods. Additionally, *Spare Me the Details!* develops two major themes central to Western civilization: the evolution of humanism and the growth of democracy. It also pays special attention to the role of women throughout history and to the connection between the arts and history. Now you, too, will know the essentials of Western civilization.

About the Author Sara Drogin taught high-school history for eighteen years at The Wheeler School in Providence, Rhode Island and has also taught Western civilization at Rhode Island College. She has a B.A. in history from Wellesley College and an M.A.T. from Simmons. She lives with her husband in Barrington, Rhode Island.
