**Editors of Sports Illustrated :** Sports Illustrated Almanac 2015 (Sports Illustrated Sports Almanac) before purchasing it in order to gage whether or not it would be worth my time, and all praised Sports Illustrated Almanac 2015 (Sports Illustrated Sports Almanac):

6 of 6 people found the following review helpful. The best (and only) general U.S. sports almanac still being publishedBy CS3It is not as good as the Information Please / ESPN Sports Almanacs that were published until 2009,

but it is the only general U.S. sports almanac still available, so I am glad that this is still being published. 1 of 1 people found the following review helpful. Poor Binding, Inconsistent Statistics, Good Read By Andre L. Blanchard Very good read. I love the statistics side of sports. There are however two small negatives on this almanac: The statistics for some of the 'minor' sports are not always available each year. One year a given table of data may be there and the next year it is not. For example, my particular sport is swimming. Sometimes the data for world championship swimming are there and sometimes not. So be aware. Secondly, the binding on the book is not very good. If you have a particular section of the book that you use more frequently than others, the pages will separate or detach very soon at that point. 1 of 1 people found the following review helpful. What a bummer! By Customer I bought it for ONE damn reason: Summer Olympic history. Not one damn event or even a Summer Olympics category!!!! It's a piece of crap. HOW, HOW, HOW can you publish a Sports Almanac and leave out the Summer Olympics???? DO NOT BUY THIS BOOK !!!!

America's best-selling sports almanac, now in its 24th year, is as fact-filled and fun as ever. Packed with stats, standings and historical data from Sports Illustrated's award-winning staff, this is the essential reference book for every fan. From pro and college football to Major League Baseball and the NBA to NASCAR, Sports Illustrated Almanac 2015 features all-time records and year-by-year statistics, including:

About the Author Sports Illustrated (SI), the most respected voice in sports journalism, is a multimedia sports brand that takes the consumer into the heart and soul of sports. It reaches a weekly audience of nearly 21 million adults, and SI.com, the magazine's 24/7 sports news website delivers more than 150 original stories each week.
