By Judy baumbach
A must read for everyone. This is a true story of a genuine heroine. She didn't think of herself as one, but no true hero does. I think it would be a good book to have in school libraries. It is a story of the past that we should never forget and one future generations need to know.

By Denise Rostad
The author looks back at the extraordinary events of her years as a Belgian teenager during WWII. What would you do as a teenager faced with evil? This is a riveting true story of an ordinary girl who showed courage and optimism during a dark chapter of world history.

Enjoyable

Squirrel is Alive: A Teenager in the Belgian Resistance and French Underground is the incredible story of Mary Rostad's early life. Rostad was 16 years old when the Nazis conquered her home city of Brussels in 1940. She joined the resistance movement, serving in Belgium and later France, primarily as a courier of underground documents. At the end of World War II, Rostad met U.S. Army Staff Sergeant Allen Rostad.
