I am amazed.By Michael KellyI was surprised to discover this volume. I have not heard of it, and I guess this is just hot off the presses. I read Srila Prabhupada-Lilamrta: A Biography of His Divine Grace A.C. Bhaktivedanta Swami Prabhupada years back, and now this amazing

cover that reminded me those days. I am looking forward to finishing it and starting again. Thank you for this gift of Prabhupada Consciousness. If that is what you were looking for, you found it here in concentrated and illustrated form. My only complaint is that it is softcover, if I find hardcover I will add it to my Prabhupada collection.

A full color illustrated story of Srila Prabhupada. This new Satsvarupa dasa Goswami's book is suitable for all, senior or weathered practitioners of bhakti-yoga, as well as the newcomers; coming out almost thirty years since first publication by the same author of Srila Prabhupada Lilamrita.
