Peter Wyden : Stella: One Woman's True Tale of Evil, Betrayal, and Survival in Hitler's Germany before purchasing it in order to gage whether or not it would be worth my time, and all praised Stella: One Woman's True Tale of Evil, Betrayal, and Survival in Hitler's Germany:

0 of 0 people found the following review helpful. Five StarsBy tony1949My 83-year old friend enjoyed this book very much.0 of 0 people found the following review helpful. Beyond HauntingBy NHBunionI am not familiar with Peter Wyden's writing but the subject alone makes reading it worthwhile. An in-depth look at Peter Wyden's pubescent object of desire named Stella, a classmate of Peter's in Germany as Hitler's poisonous reign blossomed. Peter's writing style is so personal beautifully descriptive, the book is very hard to set down. The story will haunt you.0 of 0 people found the following review helpful. Three StarsBy B. HicksHelped me understand what my family from Berlin went through.

The story of Stella Goldschlag, whom Wyden knew as a child, and who later became notorious as a "catcher" in wartime Berlin, hunting down hundreds of hidden Jews for the Nazis. A harrowing chronicle of Stella's agonizing choice, her three murder trials, her reclusive existence, and the trauma inherited by her illegitimate daughter in Israel. 16 pages of BW photographs.
