Steve Vai : Steve Vai Real Illusions: Reflections (Guitar Recorded Versions) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Steve Vai Real Illusions: Reflections (Guitar Recorded Versions):

3 of 5 people found the following review helpful. A Quality Publication By That Guy The transcriptions in this book appear to be very accurate. I have found no errors while delving through Vai's incredibly intricate arrangements. The book's construction is at or above the quality standards of similar publications. Rest assured, if you can hack it, it is worth the money.

(Guitar Recorded Versions). According to The All Music Guide , Steve Vai describes this album as a rock fable: "

Real Illusions: Reflections is the first part of a multilayered menagerie of vignettes based on the amplified mental exaggerations of a truth-seeking madman who sees the world... Oh, never mind." Our folio features note-for-note transcriptions of this axemaster's amazing playing on all 11 tracks, including: Building the Church * Firewall * Freak Show Excess * K'm-Pee-Du-Wee * Yai Yai * and more.
