George G. M. James : Stolen Legacy: Greek Philosophy is Stolen Egyptian Philosophy before purchasing it in order to gage whether or not it would be worth my time, and all praised Stolen Legacy: Greek Philosophy is Stolen Egyptian Philosophy:

86 of 96 people found the following review helpful. Fake Copy of BookBy FranI am in the process of returning the book because it is not the real book as advertised. This is not a comment on the Book titled "Stolen Legacy" by George

G.M. James who is a wonderful author and writer. This is to alert the public that this book with this cover is a copyright infringement book. The original book published by Philosophical Library in 1954 - First Print - contained 190 Pages. This copy only has 166 Pages. There is no mention of the publisher or copyright inside the first page of the book. 0 of 0 people found the following review helpful. I am almost done reading this book. The writer ...By Mildred Hill I am almost done reading this book. The writer really has done his homework with this book. It so simply written and it keeps you reading. Very fascinating! 0 of 0 people found the following review helpful. I really enjoyed reading this. By Customer Superb! I really enjoyed reading this, It would be of great use if the history books would tell the whole truth about history. Not only did Africa create a magnificent culture, but their culture was and is the armor barrier for the world's culture. Africa has a very rich culture, but few are aware of it.

'Stolen Legacy' is George G.M. James' attempt to show that the true authors of Greek philosophy were not the Greeks but the peoples of Egypt.

"excellent book" -- roxanne warner "great book" -- luther warner From the Back Cover The book is an attempt to show that the true authors of Greek philosophy were not the Greeks, but the people of North Africa, commonly called the Egyptians; and the praise and honor falsely given to the Greeks for centuries belong to the people of North Africa, and therefore to the African Continent. Consequently, this theft of the African legacy by the Greeks led to the erroneous world opinion that the African Continent has made no contribution to civilization, and that its people are naturally backward. This is the misrepresentation that has become the basis of race prejudice, which has affected all people of color. About the Author Not available
